

Student's Undertaking draft

Date:

To

President / Secretary

Subhadrabai Shikshan Nidhi

Mumbai

I am indeed grateful for kindly considering me for your loan scholarship. If approved, this scholarship will be an immense help for me in my educational expenses.

I assure you that the amount received by him through this loan scholarship, will be repaid by me ASAP, once I start working and earning, but no later than three years from the time of my earning.

This letter can be considered as my undertaking for the purpose.

Yours Faithfully
